

- I decree and declare, though serious trouble is on all sides, I STRENGTHEN myself in the Lord by devoting myself to prayer and meditation on the Word of God. I am determined to hear from the Lord and I position myself to HEAR HIM CLEARLY.
- I decree and declare as I consult the Lord He ANSWERS CLEARLY AND WITH DETAILED INSTRUCTIONS. My heart is humble before the Lord, and you God are a SHIELD for me and LEAD me into the right paths.
- The Word of God IS a lamp unto my feet and a light unto my path therefore I will meditate on the Word of God and guidance will come for me.
- As much has been taken from me I WILL RECOVER EVERYTHING that has been lost or stolen. The thief WILL repay me 7 times more than I lost according to the book of Proverbs.
- I decree and declare the Lord WILL ALWAYS GUIDE Me, He will SATISFY my needs in the desert, He will RENEWS my strength all over my entire body; so that I am like a watered garden, like a spring whose water NEVER FAILS.
